GIVE THE GIFT THAT SPEAKS VOLUMES FOR OUR COMMUNITY'S FUTURE!

Grant County School District has partnered with the Dolly Parton's Imagination Library to bring a great program for every preschool child in the Grant County School District. How would you like to be the one who puts a smile on a young child's face each month? Well you can, by simply agreeing to sponsor a child. The cost is only \$32 a year, per child.

There are several levels of sponsorship to becoming one of our "Conductors on Board": Gold Level (\$1000 or above), Silver Level (\$500-\$999), and Bronze Level (\$250-499). If your organization is able to sponsor at any of these levels listed above, then you will be recognized in our sponsor brochures. These brochures are distributed to several community members, businesses, and organizations each year.

This program will be an on-going program for our community and we look forward to your continued support each year. Please make checks payable to GCS/Dolly Parton's Imagination Library. The mailing address is:

Research has shown learning to read is a process much like learning to speak or walk. The process of reading begins at birth. This great program puts books in a child's hands and provides the opportunity to develop a love for reading. It also helps in building a close relationship between the parent and child as the child curls up each night with his/her parent to read the book you helped provide in their home.

I appreciate your consideration for this worthy program. Remember to SUCCEED you must be able to READ!

P.S. Your donation is tax deductible.

Sincerely,
Rebecca L. Boden
