EXHIBIT A  
Description of Proposed  
Telecommunication  
Design

ExteNet is proposing to build three small cell nodes in Dry Ridge. The locations of the three nodes are:

- 1) S.Main Street and School Street (pole owner ExteNet)
- 2) Dry Ridge Bypass and Broadway Street (pole owner ExteNet)
- 3) Broadway Street and N. Main Street (pole owner DOT)

Detailed drawings for each node are included in this package. Fiber will be routed to each node and the fiber plan is included in this package.
