Dear Brandy,

Having just received your correspondence dating August 12, 2013 asking that Grant County remit payment for Dispatching service covering July 1, 2013 – September 30, 2013, I am withholding payment until supporting documentation of the amount requested is provided by your office. The agreement between Grant County and KSP post 6 was that Grant County would pay two (2) base salaries of the lowest paid dispatchers at Post 6. Consequently, we need you to send us the supporting documentation that demonstrates what the salaries were for the two dispatchers for the period of July 1, 2013 – September 30, 2013. Moreover, since September payroll has not closed, it is not possible that the amount owed for the dispatching services is known, and I am prohibited in making payment based upon an estimate. Finally, the quarterly amounts paid to the Kentucky State treasurer is generally around \$19,000.00 per quarter, and so upon receiving the supporting documentation, I will be pleased to remit payment as requested.

Also, please remember to send attached supporting documentation with all future requests for payments so no delay will be necessary.

Sincerely,

Darrell L. Link
Grant County Judge/Executive
