

**COST PROPOSAL** (PRICING GOOD FOR 90 DAYS FROM 11/28/2017)

Keep staff and residents safe and informed with the CodeRED system with the quick notifications of time-sensitive information, emergencies and day-to-day operational updates. Send targeted emergency and community notifications to mobile subscribers located in specific geographic areas within your jurisdiction.

**A three (3) year license includes 24/7/365 uninterrupted CodeRED system access and the following:**

- CodeRED system set-up and training
- 37,500 system minutes, replenished annually for general calling
- Unlimited emergency calling
- Unlimited text, email, mobile app and social media messaging
- Integration and geo-coding of customer supplied data (911 data, utility data, etc.)
- OnSolve standard mapping and geo-coding
- Two-way messaging
- IPAWS
- 24/7 technical support
- Complimentary system time for testing and training
- Design and hosting of custom Web page for community enrollment

<p><b>\$5,600 = Annual Cost</b>  <small>(Based on population of 24,757)</small>  <small>A further discount may be obtained by committing to an extended contract term.</small></p>
--

**Alternative Annual Pricing Plans**

**\$6,995 = Limitless**

- All items listed above plus unlimited system time for emergency and other uses

Thank you for the opportunity to present CodeRED and submit this cost proposal to your agency. If you have any questions, please feel free to contact me directly.

**Grant County Emergency Management Agency**
