Dear Mayor & Council,

This letter is to express interest in filling the vacant City Council seat due to the recent resignation. I fully understand the commitment required to serve the citizens of Dry Ridge in this capacity.

As a life-long member of this community I am highly interested and invested in the continued prosperity and quality of life this City affords. I work as a Controls/Process engineer at Mubea, Inc. I reside on Warsaw Rd. with my wife and daughter.

I have long considered serving my community in some way and during the last election contemplated running for City Council. Once I decided to try and run, I was too late. I see this as an opportunity to give back to a community that has given me so much.

Thank you for your consideration,

A handwritten signature in black ink, appearing to read 'Aaron Pelfrey', with a large, sweeping flourish extending to the right.
