Attention Dry Ridge City Council,

My name is Janet Landrum and I am a life long resident of Dry Ridge and I am interested in serving on the Dry Ridge City Council. I am age appropriate , a registered voter, and I am a member of the Dry Ridge Christian Church. I live at 11 Ralph Street in Dry Ridge. Recently I retired after 32.5 years from a payroll business in Williamstown, KY.

I have a deep and sincere love for my community and I care about our citizens as well as the growth and future development of Dry Ridge. This is a very desirable place to live and work. We have a great school system as well as a great choice of churches. Our city park is beautiful and very inviting.

If chosen to be a member of the Dry Ridge City Council I will try my best to serve my community to the best of my ability. Thank you for your consideration.

Sincerely,

Janet Landrum
