To: Mayor Brockman and City Council

I am writing this letter to let you know I am interested in filling the open seat in city council til December 31, 2019. I will also be putting my name on the November 2019 ballot to fill the term of councilman Ron Maddox. I was currently on council from 2000-2019. I have lived in the city since 1974 and have seen many improvements and changes to the city. I enjoy working with the staff, the mayor, the council, and the people. Learning new things and ideas is a challenge to all but we need this to progressively change and keep up with the times. I have served the people, listened to the people, and tried to do what I think is best not only for the city, but for the taxpayers. Please consider me for the position on the Dry Ridge City Council.

Thank you,

Kenny Edmondson
