CITY OF DRY RIDGE KY

To the Mayor and City Council of Dry Ridge,

I am writing to indicate my interest in appointment to Dry Ridge City Council to Councilman Maddox's vacated seat. I will also announce here that I am running for the seat in the November election. I am a resident and registered voter in the city, and a small business owner. I am an IT consultant and freelance digital artist. I have 16 years experience in computer system design, software, game, and web development. I want Dry Ridge to benefit from smart applications of technology to improve the daily lives and prosperity of our citizens and businesses. I thank the council and mayor for their consideration in this matter and look forward to future cooperation for the betterment of our city.

Thank you,
