Agreement of Understanding

This agreement is between the City of Dry Ridge Fire Department, Transcare of Kentucky, and St. Elizabeth Medical Center-Grant County concerning the location of equipment, maintenance, and custodianship of the digital recordings of the medical channel used to contact St. Elizabeth Grant County.

The City of Dry Ridge Fire Department has agreed to house the equipment that formally resided in the now dissolved Grant County Public Safety Communications Center on Barnes Road. Further the fire department has agreed to maintain the equipment. The agreed parties appoint the computer system administrator to serve as the custodian of the records.

Recordings on the medical channel may be accessed at any time by St. Elizabeth Medical Center-Grant County and/or Transcare of Kentucky authorized personnel. Any duplicate recordings shall be requested through the computer system administrator at radio@drfd.com and will be made in a format acceptable to the requesting party within 48 hours of the request.

Furthermore, the custodian and or computer system administrator recognizes the confidential and privileged nature of this material and its intended purpose and will not review without the expressed written consent of St. Elizabeth Medical Center-Grant County and Transcare.

Renewal of this agreement shall be perpetual in nature until such time that any party submits in writing a formal request to be removed or change the agreement.

This agreement shall be effective upon signature of all parties this 22nd day of December, 2005.
