

Telecom Audit Group (TAG)

Telecom Audit Group prides itself in specializing in helping government agencies capitalize on all the financial opportunities there are in the IT sector.

- 27 years of voice and data invoice audits for governments.
- Over 500 governments proudly served thru out the southeast.
- TAG audits your telephone, cellular, cable, satellite, 911 invoices (voice & data)
- TAG are analysts only; we do not represent or offer any other related services.
- Self-Funded- No upfront or hidden cost. No Savings No Fees!
- TAG does all the heavy lifting, just give us access to your past paid invoices and we do the rest.
- Average savings produced for Kentucky clients is 40% reduction of monthly reoccurring costs.
- Counties Served and serving this year-**Mercer, Marshall, Lincoln, Pulaski, Wayne, Clinton, Barren, Todd, Muhlenberg, Lyon, Graves, Hickman, Fulton, Carlisle, Garrard, Clark, Spencer, Anderson, Caldwell, Taylor and several cities.**
- All bills reviewed w/ Kentucky governments have uncovered errors/opportunities.
- TAG can also uncover errors on behalf of the providers which leads to one time refunds. We see this on over half of our Kentucky clients.

Mercer County, Kentucky	Wayne Jackson	Fiscal Board Member	

- Wayne Jackson vetted our company against other auditing companies before they selected us to perform their Telecommunication Audit. Reason for selecting us: Wayne stated, we appeared to be more detailed in performing the audit, plus we were more aggressive at achieving refunds and credits than the others.

Cocke County, Tennessee Ann Hurst Finance Department 423-623-8791

- We audited this county about 4 years back and they just recently called us to assist them on up grading their VOIP and other issues.

Please feel free to contact us if you would like to learn more.
