Dear Community Partner:

Once again our school will be hosting a Project Graduation celebration for our Senior Class. The WHS Class of 2016 has worked diligently for their diplomas and they are looking forward to the night of fun that we have planned for them. However, this night cannot be possible without the tremendous support we receive from our community's businesses and individuals like you!

Since our Project Graduation is only possible by donations, we would sincerely appreciate your help this year with a monetary donations. Also, your donation is tax deductible. Please make your donations to WHS Project Graduation and mail it to the above address ATTN: PROJECT GRADUATION as soon as possible. Our Graduation Ceremony and Project Grad will be held in May, so we will need to receive your donations by May 11, 2016. We truly appreciate and need your support.

Sincerely,

Chantel March (Mom of a senior)

Project Graduation Committee

Thank you for your support!
